

BrickAmerica Clay Pavers Product Information

Introduction

BrickAmerica Clay Brick pavers represent today's most popular look in paving. The aged appearance leaves the impression that the brick has been there for years. Our clay brick pavers are offered in a variety of colors to compliment any commercial or residential product.

Why Choose Genuine Clay Pavers?

There is only one paving material that can withstand the test of time – Genuine Clay Pavers supplied from BrickAmerica. Why? Because BrickAmerica's interlocking clay pavers are made from the Earth itself, and are unparalleled in their beauty, strength and durability. They come in a rich range of colors that will never, ever fade. Unlike other paving materials, clay pavers only get better with age.

Take a look at the difference between concrete pavers and clay pavers 5 years after being installed.
